TO : Chief of Station, Karlsruhe

DATE: 16 January 1950

FROM : Chief, Foreign Division M

Attn: FOB

SUBJECT: GENERAL -

SPECIFIC: CANISE

REFERENCE: NRFA-3307, NRFA-4080, NRFA-3386

1. The CANISE project as outlined in NRFA-3307 is approved for the period 1 January through 31 March 1950. On the assumption that a change in locale such as you have suggested in NRFA-3386 will necessitate a certain revision of specific objectives, method of contact and so forth, we have extended this approval only through the first quarter. We agree with you wholeheartedly concerning CANISE's need for a change in environment. An agent of her caliber certainly belongs in a position where she can be of maximum value to us. Please keep us advised in this matter.

2. Some time ago we asked FOB to fill out a new personal record form on CANISE as available personnel data back to 1 July 1946 and cover only the period up to the end of the war. We were advised that this would be done while she was in Frankfurt, but the material has never been received here. May we have this as soon as possible?
